

## INTRO

**Bm Bb+5 Gmaj7**

## VERSE 1

**Bm Bb+5 Gmaj7**

I'm crying to my silhouette I see on the tile

**Bm Bb+5 Gmaj7**

In the candlelight bathroom, run your hands along my thighs

**Bm Bb+5 Gmaj7**

I need you skin to skin

I wanna feel your lips on my...

**Bm Bb+5 Gmaj7**

collarbones, but you won't ever be mine

## PRE 1

**Bm Em G**

You are the thorn in my side

**Bm Em G**

The colour drains from my translucent veins, and I'm suffocated by my own frame

## CHORUS 1

**Bm Bb+5 Em7**

Ooo, My lungs will give out before my heart does

**Bm Bb+5 Em7**

Ooo, You won't let me forget you, put thorns in my side

**G**

Abusing my courage, you don't know I know you lied

## RE-INTRO

**Bm Bb+5 Gmaj7**

## VERSE 2

**Bm Bb+5 Gmaj7**

I wore my red leather shoes that night. My heels might be scarred, but I had a good time

**Bm Bb+5 Gmaj7**

I can see my whole soul in your dark, hollow eyes. You can take it all back, but we'll always have that night

## PRE 2

**Bm Em G**

Light up a midnight flame

**Bm Em G**

Watch your worries float away. Now you've left but your bad habits stayed

## **CHORUS 2**

**Bm Bb+5 Em7**

Ooo, My lungs will give out before my heart does

**Bm Bb+5 Em7**

Ooo, You won't let me forget you, put thorns in my side

**G**

Abusing my courage, you don't know I know you lied

## **MID 8**

**C**

No risk no fun.

**Em/B**

We're living everyday as if it was your last one

**C**

I refract through life

**Em G F**

You said I looked older in a different light

## **CHORUS 3**

**Bm Bb+5 Em7**

Ooo, My lungs will give out before my heart does

**Bm Bb+5 Em7**

Ooo, You won't let me forget you, put thorns in my side

**G**

Abusing my courage , you don't know I know you lied

**G**
